

## **ROYAL HOLLOWAY**

University of London

### **JOB DESCRIPTION**

Department:	Information Services
Post Title:	IT Service Desk Analyst
Grade:	Grade 6
Responsible to:	IT Service Desk Manager

#### **Main purpose of role:**

The post is within the Service Delivery Group of the IT Department and is based within the Computer Centre.

Reporting to the IT Service Desk Manager, the post holder will work within the IT Service Desk team to provide both proactive and reactive effective support for staff and students **in a variety of ways including Telephone, email, and face-to-face support at the Service Desk,**

#### **Key accountabilities or duties:**

1. Provide a central point of contact between all of the staff and student population at RHUL and the IT department to manage all Incidents and Requests.
2. Provide problem diagnosis and resolution for a wide variety of hardware and software related issues. Escalate support issues to specialist technical staff or line management as appropriate.
3. Maintain an effective balance between phone, email and face-face customer interactions.
4. Day-to-day support and troubleshooting of core software systems and application packages in use by the business, staff and student population.
5. Ensure all calls within own team meet agreed Performance Indicators.
6. Manage all calls in other teams including 3rd party suppliers to meet Performance Indicators.

7. Provide input on ways to improve service quality, service levels and services offered.
8. Install, configure, and maintain operating systems, networking, device drivers, security patches, web services, and printing services following institutional standards and best practices.
9. Provide day to day operation of the backup and archiving service within the Data Centre.
10. Provide day to day operation of the Colleges printing system.
11. To deliver training courses to students, administrative and academic users.
12. To participate in projects which establish or improve services, either for internal departmental use or for our staff and student users.
13. To keep abreast of new technology and to develop such skills as are required to remain effective in this role.
14. Provide input to the IT Service Delivery Team on ways to improve service quality, service levels and services offered.
15. To assist with maintaining the inventory of IT equipment across the campus.
16. Monitor MOTD system ensuring RHUL procedures and standards are met.
17. Provide operation and advice of the consumables resale service.
18. Monitor and Operation of the Building's Security System.
19. To undertake any other tasks as requested by the Service Desk Manager.

**Key Performance Indicators:**
