JOB DESCRIPTION

Job Title: Research Assistant

Department / Unit: Psychology

Job type: 5

Grade: Research

Accountable to: Prof Carolyn McGettigan

Purpose of the Post

The post holder will assist with the public engagement and outreach activities of the RHUL Vocal Communication Laboratory, led by Prof Carolyn McGettigan, within the Department of Psychology. They will be involved on the ESRC-funded project, “Vocal Learning in Adulthood: Investigating the mechanisms of vocal imitation and the effects of training and expertise”.

KEY TASKS

The main responsibilities of the post include:

- Preparation of a short film, suitable for a general audience, about the research carried out in the ESRC project.
- Assistance in the updating and maintenance of Prof McGettigan’s lab website.
- Any other related administrative tasks related to data sharing, public engagement and outreach.

The post holder will be expected to communicate regularly with Prof McGettigan to discuss the progress of the work. For film production, applicants should have access to their own equipment and software.

The work may include additional duties as required by the line manager or Head of Department that are commensurate with the grade.

As the needs of the College change so the above job profile, duties and location of the role within the Faculty of the College will be adjusted accordingly.
