### Purpose of the Post
To support teaching in immersive technology for new MSc starting in 2019

### Key Tasks
- To show academic leadership and extensive external engagement in the relevant field.
- To support the management and strategic planning processes of the department, School and College.
- To participate in departmental administration as requested by the Head of Department.
- To demonstrate the use of up-to-date scholarship and relevant insights from their professional practice to inform their teaching.
- To pursue activity, publish work and/or contribute to national and international policy, or the work of other relevant organisations.

### Other Duties
The duties listed are not exhaustive and may be varied from time to time as dictated by the changing needs of the College. The post holder will be expected to undertake other duties as appropriate and as requested by his/her manager.

The post holder may be required to work at any of the locations at which the business of Royal Holloway is conducted.

### Internal and external relationships
The following list is not exhaustive but the post holder will be required to liaise with the Department of Media Arts.
