- To develop and submit research funding proposals to appropriate funding bodies, working with colleagues where appropriate.
- To enhance the departmental teaching/educational agenda through application of research expertise into teaching/curriculum development and delivery.
- To effectively present research findings to a wide range of stakeholders both internal and external to the College through conferences, review meetings and other options as appropriate.
- To develop impact beyond academia based on the research conducted
- To undertake and contribute to peer assessment as appropriate.
- To supervise postgraduate students as requested.
### Teaching
- To design and deliver high quality teaching programmes and/or courses, using own expertise and research to inform design and delivery.
- To design and deliver effective and innovative approaches to educational delivery, working with others as appropriate to create a successful learning environment for students.
- To undertake activities supporting teaching delivery, such as supervising placements if required, undertaking assessments ensuring that constructive feedback is provided to allow for development.
- To supervise final year research projects and dissertations
- To act as Personal Tutor ensuring appropriate support and advice is provided.
- To contribute to other areas of teaching as directed by the Head of Department in response to departmental need.

### Leadership, Enhancement, External Engagement and Impact
- To play a full and active part in the administration of the department and its external promotion.
- To attend and actively contribute to departmental, School and College meetings as appropriate.
- To assist with student recruitment.
- To participate with departmental, School or College working groups as required.
- To contribute to the department’s strategic planning, and, if required, contribute to College strategic planning processes.
- To advise and provide support to less experienced colleagues.
- To co-ordinate and engage in departmental activities such as open days or applicant visitor days.
- To develop collaborative networks both internal and external to the College to develop research and teaching profile and funding opportunities individually and for the department, College and field of research i.e. educational bodies, specific research networks, and professional bodies.
- To maintain continuous professional development.

### Other Duties

The duties listed above are not exhaustive and may vary from time to time as dictated by the changing needs of the College. The post holder will be expected to undertake other duties as appropriate and as requested by his/her manager.

The post holder may be required to work at any of the locations at which the business of Royal Holloway is conducted.
