## Purpose of the Post

Assist with the running of an interdisciplinary fixed term project using fictional animals to understand how prior knowledge and species aesthetics affects choices by conservation donors.

## Key Tasks

- Assisting the PI by building online surveys to specified designs
- Responsibility for survey distribution and data management
- Production of basic statistics and graphs
- Producing evaluation data to monitor progress to project goals
- Assistance with writing, proof-reading and editing documents.
- Maintaining the project webpages
- Participation in outreach events. This may include occasional weekend or out of hours work.
- Assistance with data processing for other projects

## Other Duties

The duties listed are not exhaustive and may be varied from time to time as dictated by the changing needs of the College. The post holder will be expected to undertake other duties as appropriate and as requested by his/her manager.

The post holder may be required to work at any of the locations at which the business of Royal Holloway is conducted.
