**Purpose of the Post**

To provide academic leadership in both teaching and research, with a sustained contribution to the field and discipline at national and international level. The post holder will support the management and strategic planning processes of the department and the College.

The key objectives and principal accountabilities for a Senior Lecturer are as follows:

- To design and deliver high-quality teaching programmes.

- To engage in high-quality research activity, leading research projects or research initiatives in the department, including high quality publications to be submitted to the Research Excellence Framework (REF), and the potential for external impact. Role holders will be expected to secure research funding, third-stream income as appropriate, and contribute to the department’s research strategy.

- To support the management activities of the department and College, and undertake a key role in department or College working groups or committees, as required.

**Key Tasks**

**Teaching**

- To lead the design, development and delivery of a range of innovative programmes of study at all levels, to include the regular review of programmes and courses to ensure excellence and coherence.

- To design and deliver innovative approaches to educational delivery, working with others as appropriate to create a successful learning environment for students.

- To identify the learning needs of students, define appropriate learning objectives, and lead the design and delivery of teaching to meet these needs.

- To supervise activities supporting teaching delivery including field trips/placements, undertaking assessments ensuring that constructive feedback is provided to allow for development.
• To provide academic leadership to those working within programme areas, e.g. as a course leader, to include co-ordinating the work of others to ensure that courses are delivered effectively and/or organising the work of a team by agreeing objectives and work plans.
• To act as Personal Tutor ensuring appropriate support and advice is provided.
• To lead in the expansion of curriculum options in this area, working with others to ensure implementation as applicable.
• To undertake and complete administrative duties required in the professional delivery of teaching.

Research
• To be an externally recognised authority in the subject area with an international reputation.
• To produce high quality research outputs, for publication in monographs or recognised high quality journals or other significant outlets, and contribute to the department’s REF submission to a significant level.
• To develop and submit research funding proposals to appropriate funding bodies as appropriate, working with colleagues where appropriate.
• To effectively present research findings to a wide range of stakeholders both internal and external to the College through conferences, review meetings and other options as appropriate.
• To develop links with external contacts such as other educational bodies, businesses, the public sector, and professional bodies, to foster collaboration and generate income.
• To engage with external bodies to consider potential for valued change in line with the concerns of own research agenda
• To enhance the departmental teaching/educational agenda through application of research expertise into teaching/curriculum development and delivery.
• To undertake and contribute to peer assessment as appropriate.
• To supervise PhD studentships.

Leadership, Enhancement, External Engagement and Impact
• To play a full and active part in the administration of the department and its external promotion.
• To attend and actively contribute to departmental and College meetings as appropriate.
• To assist with student recruitment.
• To participate with departmental or College working groups as required.
• To contribute to the department’s strategic planning, and, if required, contribute to College strategic planning processes.
• To act as external examiner for other institutions by agreement with the Head of Department
• To advise and provide support to less experienced colleagues, taking on the role of mentor as appropriate.
• To co-ordinate and engage in departmental activities such as attendance at open days or applicant visitor days.
• To liaise with professional bodies (e.g. CiPD) for accreditation purposes
• To lead and develop networks both internal and external to the College to develop research and teaching profile and funding opportunities individually and for the department, College and field of research i.e. educational bodies, specific research networks, and professional bodies.
- To engage and maintain continuous professional development.

**Other Duties**

The duties listed are not exhaustive and may be varied from time to time as dictated by the changing needs of the College. The post holder will be expected to undertake other duties as appropriate and as requested by his/her manager.

The post holder may be required to work at any of the locations at which the business of Royal Holloway is conducted.

**Internal and external relationships**

The following list is not exhaustive but the post holder will be required to liaise with:

**Internal**: Colleagues in the department and the College. Such colleagues will include: the Head of Department, Director of Teaching, Director of Research, Directors of Graduate Studies (Research and Taught), Director of Student Experience, Department Senior Tutor, Exams Officer, School Manager, Head of School, members of the Senior Management Team and members of department and College Professional Services Teams

**External**: National and international research colleagues and networks; schools and other educational stakeholders, the media, non-HEIs in the sector, governmental organisations and other possible outreach partners as appropriate, and Research Councils.
